Hi Cary-

One of the Superior Court ADAs just informed me that he wants me there at 2 and is "hoping to get me on today". If you think you are going to need me today, let me know ASAP so I can talk with Neil and see if it would be ok for me to be in Chicopee at 2 and then shoot over to Springfield when I am done. This is the case where the ADA didn't think he'd need me until Wed., so this should also free up my availability for tomorrow for you (still no word from the ADA with the voir dire motion yet).

OK, Thanks Sonja. I think there is a chance it may be a plea, I'll see what I can find out on that end.

Hi Cary-

OK, I just found out that I may have 2 different Superior Court cases in Springfield starting tomorrow. I know the ADA in one case doesn't think he'll need me until Wed. (I'm guessing morning, so that shouldn't affect me being in Chicopee in the afternoon), and there is still a distinct chance that it will plea. As for the other case, I just replied to the email I received when I was gone last week to find out what is going on. The email asked about my availability on Tuesday 3/23/12. I know, 3/23 was last Friday, so I asked if they meant tomorrow 3/27. Also inquired if that case was starting that day, or if I'll actually be needed that day. I'm waiting on a reply, so I'll let you know more when I know more.

Hi Sonja,

Sorry for the short notice, but would you be available for a trial on 3/28 as well? I don't think it's going to go, but I'm reviewing the file and realized that you were never slipped. It looks like another prosecutor summonsed the officers, but we didn't have the drug certs at that time so your summons didn't go out.

Again, sorry for the short notice - let me know how your schedule looks!

Cary

Hi Cary-

I wanted to let you know that I received your summons for the [REDACTED] case scheduled for trial on March 27, 2012. It is the only case I have scheduled that day so far, however I do have a dentist appointment set for 10:15am that day in Northampton. If you think that you will need me in the morning, I can rescheduled my appointment. I'm guessing that I'll be done at the dentist around 11:15 - 11:30 (routine cleaning plus annual X-rays...lucky me), so I could probably get to Chicopee by 12 or 12:30 if that would work for you.
